

## Back from our trip

Gid'Day Mates,

In the meantime we are back from our trip to OZ. It was a breathtaking experience to be welcomed there by friends, we actually never had met before in person. Together we had an absolute wonderful time with all of them and for the effort they made for us we can't be grateful enough.

Thanks Mates, many thanks for all.  
Michael

ps: Check the Gallery for Pictures of our trip.
